

Don't Just Clean It, Re~Mov™ It.

re~mov™
Silicone & Adhesive Remover

The Contractor's New Best Friend.

Re-Mov™ is a true breakthrough for contractors. Until now, products that claimed to be effective in removing silicone and adhesives were either ineffective or inefficient, creating more of a mess than the one you were trying to clean. Re-Mov™ works differently, its patented formula literally *"breaks the bond"* of virtually any adhesive, even if in place for years. Re-Mov™ contains no flammable or corrosive chemicals, making it safe for use on most surfaces without damage.

Removes Adhesives Such As:

Tape Residue, Silicone & Polyurethane Caulks, Labels, Window Films, Gum, Liquid Nails®, Enamel Spray Paint, Expanding Foam, Surface Glues.

Safe And Effective For Use On Most Surfaces, Including:

Metals, Glass, Furniture, Fiberglass and Gel Coat, Most Plastics, Most Carpets, Clothing, Tile, Vinyl, Porcelain, Brick, Countertops, Wood, Varnished and Painted Surfaces.

The Re~Mov™ Philosophy

The thought in creating the Re-Mov™ family is to provide products that are gentle enough to use on delicate surfaces, yet with the strength to treat and remove some of the most substances on earth. Re-Mov™ has been designed as a product family, with a product for virtually every application from odor elimination, stains, rust and adhesives.
